Subject: Cybermon: The Age of AI – coming 6 October 2025

Hi {{name}},

Cybermon returns on **October 6, 2025**, with an exciting new theme: **The Age of AI**. This year, explore how AI-driven coding is reshaping secure software development through fun, interactive challenges.

Here's what's new:

- 🎮 All-new Cybermon characters representing modern vulnerabilities.
- 💪 Cybermon Prime: Advanced, AI-enhanced boss-level challenges.
- 🏆 Cyberhero Prime: Elite title for defeating all Cybermon and Prime challenges.
- 🚀 Flexible participation: Miss a week? Catch up anytime.

Why your team will love Cybermon:

- ✅ **Proven Engagement:** Last year saw 4x the participation compared to standard training.
- ✅ **Quick & Impactful:** Short, ~20–30 min/week, hands-on secure coding activities.
- ✅ **Zero Setup:** Fully managed by Secure Code Warrior, just promote internally!
- 🎁 **Win exclusive Cybermon 2025 swag:** Earn entries into our prize draw. Cyberheroes get 1 entry; Cyberhero Primes get 2!
