# GREAT THINGS IN BUSINESS ARE NEVER DONE ALONE

WITH MORE COMPANIES AND MORE ASPECTS OF DAILY LIFE RELIANT ON TECHNOLOGY, DEVELOPERS ARE IN THE DRIVER'S SEAT, WORKING HARD TO WRITE THE CODE THAT MAKES THE SOFTWARE SOCIETY RELIES ON REALITY.

MISSION:

JOIN FORCES WITH LIKE-MINDED ORGANIZATIONS TO MAKE THE WORLD'S CODERS MORE SECURE.

Partners help to spread the word on secure coding, and share Secure Code Warrior's vision that security should start left in the Secure Software Development Lifecycle (SSDLC) in order to enable developers to be the front line of defense for their organizations.

Join the movement to spread the word to the 25 million software developers on the planet that secure code and quality code should be synonymous.
